What does "home study" look like? It could be any or all of these:

- Simply read the text once or many times
- Quiz yourself over rapid fire from the back of your text, or have someone else quiz you
- Read to yourself using your fill-in-the-blank text, or quote it aloud to someone using your fill-in-the-blank text
- Select verses to fully memorize until able to quote without any aid - memory verses are a great place to start!
 - Ask someone to quiz you over practice questions using the Bible Quizzer App
- Play Blitz! found on biblequizshop.net (click "get started" then "National Bible Bowl Teen" then "Blitz!" then "next")

[you can also play Blitz! with friends by creating your own code on the page where you click "Blitz!"]
